

Q: What do I have to believe or do to belong to your church?

A: a clear profession of faith in Jesus the Christ. We expect our church members to participate actively in the worship life and ministries of our church, to be our friends in Christ, to engage in spiritual practices that strengthen our Christian identity and service, and to support the work of the church through the giving of our time, our talents, and our money. Those who desire to join our church are invited to meet with a couple of our Elders to make a simple profession of faith, or to transfer church membership or reaffirm one's previous affirmation of faith. We hope that those who join our church will get involved in one or more of the ministries of our church and engage in faithful service with us, as God has equipped them to serve.
